Provide a detailed transportation plan for a trip from Paris to Nice, including options for domestic flights and train travel, while considering efficiency and convenience.

I will now begin by researching domestic flights from Paris to Nice for the specified travel dates using comprehensive web search tools. I will then look into train travel options, focusing on high-speed TGV services, and gather the necessary information to construct a plan that optimizes for efficiency and convenience.

Use the `search_wiki` function to find information about the main airline companies that operate domestic flights within France, and also obtain information about the French national railway company, SNCF, which provides high-speed train services like the TGV. This information will help us to outline potential flight and train options for the trip from Paris to Nice.

Based on the information obtained from the search, I can confirm that several airlines operate domestic flights within France and are likely to offer services between Paris and Nice. The SNCF operates the TGV, France's high-speed train service, which also connects Paris to Nice. The SNCF network consists of a significant portion of high-speed lines that are part of the national rail traffic. For the next step, I will identify specific airlines that provide flights from Paris to Nice and detail the TGV services that travelers can use for the trip.

Identify other major airlines in France besides Air France that operate domestic flights, specifically those that may offer flights from Paris to Nice. Additionally, gather detailed information about the TGV services provided by SNCF, including schedules and travel classes for the route from Paris to Nice.

Unfortunately, my attempts to use the comprehensive web search to identify airlines operating domestic flights from Paris to Nice have not yielded the desired results. As my next step, I will directly check the official websites of known airlines and railway services, or consult reputable travel and transportation databases, to find the required information.

Provide a list of known major airlines in France that operate domestic flights, which could potentially offer services from Paris to Nice. Also, summarize the types of TGV services and travel classes available for high-speed train travel in France, such as the TGV network operated by SNCF.

I have provided a list of major airlines known to operate within France, which includes budget, regional, and traditional carriers. These airlines are potential options for domestic flights from Paris to Nice. Additionally, I have summarized the types of TGV services and travel classes available for high-speed train travel in

France, particularly focusing on the offerings of SNCF's TGV network. The traveler can choose between premium services with more amenities or low-cost options depending on their preference and budget.

Next, research and summarize the cultural experiences and attractions that can be enjoyed in Nice, focusing on those that reflect the unique history, arts, and lifestyle of the region. Include any famous museums, historical sites, local markets, and festivals that travelers should consider visiting.

Nice is rich in cultural experiences and attractions that reflect its unique history and arts. Notable museums like the Matisse Museum, the Marc Chagall National Museum, and the Museum of Modern and Contemporary Art (MAMAC) offer insights into the artistic heritage of the area. Historical sites such as the Old Town, the Promenade des Anglais, and the Russian Orthodox Cathedral provide a glimpse into the city's past. Markets like the Cours Saleya and the Nice Port Market allow visitors to experience local life and products. Festivals, particularly the Nice Carnival and the Nice Jazz Festival, are important cultural events that showcase the city's vibrant lifestyle.

Next, I recommend visiting the official websites of the above airlines to find precise information regarding flight durations, frequencies, and any special considerations for the travel dates between June 10, 2024, and June 24, 2024.

Use the `search_wiki` function to get a summary of information about the TGV, France's high-speed train, focusing on the routes, travel times, and frequency of service between Paris and Nice.

1. Acknowledge that the TGV, operated by SNCF, is France's intercity high-speed rail service.
2. Given that specific route details are not available from the search, suggest visiting the official SNCF website or a reliable train travel booking platform for the most accurate and up-to-date information on TGV schedules, travel times, and service frequency between Paris and Nice.

3. Recommend checking these resources specifically for the travel dates from June 10, 2024, to June 24, 2024, to ensure the itinerary aligns with the traveler's schedule and preferences.

To find the TGV schedule and frequency from Paris to Nice, please visit the official SNCF website or a trusted train travel booking platform for current and precise information, especially for the dates June 10, 2024, to June 24, 2024.

Utilize the `search_google_and_summarize` function to find details on car rental services available in Nice, including options for English-speaking services and any notable conditions or special offers during the travel dates from June 10, 2024, to June 24, 2024.

1. Advise visiting popular car rental aggregator websites such as Auto Europe, Rentalcars.com, or Kayak, which offer a variety of car rental options from different providers and typically include filters for language preferences such as English-speaking services.
2. Recommend directly checking the websites of major international car rental companies that operate in Nice, such as Hertz, Avis, Europcar, and Sixt, as these companies are likely to have English-speaking staff and offer online support in English.
3. Suggest looking for special offers or conditions by entering the specific travel dates from June 10, 2024, to June 24, 2024, on these platforms or company websites to ensure any promotions or terms are considered for the itinerary planning.

To find detailed information about car rental services in Nice that offer English-speaking services and to check for any special offers during the specified travel dates, please visit car rental aggregator websites or the official sites of major car rental companies and use the travel dates to search for relevant information.

Based on the current information and insights gathered, create a preliminary itinerary for the traveler's two-week trip to France, starting in Paris on June 10, 2024, and concluding in Nice on June 24, 2024.

Incorporate the must-visit attractions and activities of interest, accommodation preferences, transportation between cities, and cultural experiences, taking into account the budget considerations and the desire for English-speaking guides. Ensure the itinerary is practical and aligns with the traveler's preferences.

1. Start with a basic framework for the itinerary, allocating time in each city and for travel between cities.
2. Incorporate accommodation preferences, opting for hotels and boutique guesthouses with central locations or scenic views, within the 2000 euro budget for accommodations, experiences, and dining.
3. Plan the transportation, using domestic flights for long distances, train travel for intercity connections, and car rental for exploring countryside areas and the French Riviera.
4. Schedule visits to the must-visit attractions and include activities of interest such as wine tasting, culinary tours, river cruising, and exploring lavender fields.
5. Ensure the availability of English-speaking guides for the cultural experiences, including cooking classes, art workshops, and live performances.
